Dear Patient;

I am happy to introduce you to the new Cayman Doctors clinic. It is fully equipped to provide the highest quality medical care and laboratory services through Quest Diagnostics, a world leader in diagnostic testing.

At Cayman Doctors clinic, we look forward to partnering with you to address your health concerns, and we will do all we can to ensure you achieve the most successful result possible.

I very much appreciated the trust and confidence you placed in me while I was working at the Cayman Clinic, but I would perfectly understand if you prefer to remain as a patient of the Cayman Clinic. However, in order to offer you continuity of care I will be delighted to welcome you and your family at the new clinic.

While you are aware of some of the services I offer, please let me remind for the sake of completeness:
